

Winter Park YMCA

Little Linksters Golf Program

The Little Linksters Golf Program is a great introduction to the game of golf for your child. The program is taught in a fun and interactive way using a combination of both traditional golf instruction methods and very non-traditional ways. The bottom line with the Little Linksters program is FUN!

The program is run by PGA Golf Professional Brendon Elliott. Brendon is the Head Golf Professional at the historic Winter Park Country Club located in downtown Winter Park and he is also the owner of Little Linksters, LLC and Little Linksters.com which is his Junior Golf Instruction Business in Deltona.
